OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 29 December 1964

1. (Unclassified - LLM) [ ] LS/ORD, called to advise that he and [ ] will be attending an open conference on 21 and 22 January at the invitation of the Office of Naval Research to discuss the "Ships of Opportunity" oceanography program. [ ] wanted to inform us that Congressman Herbert Bonner (D., N.C.), Chairman, Merchant Marine and Fisheries Committee, will be giving the convocation. [ ] just wanted to pass on the information that Congressman Bonner would be in attendance. I thanked him for this information and said we would get back in touch with him if there was any reason to do so.

2. (Unclassified - LLM) Mr. E. B. Tryck, of the BOB, called to request telephonic coordination for the reintroduction of H.R. 11532 in the 89th Congress. This bill is to authorize expenditure of appropriated funds for insurance covering the operation of motor vehicles in foreign countries and was favorably coordinated on by the Agency in September of 1963. I called [ ] and Acting Chief, Transportation Division/OL, Mr. [ ] and found out that there was no change in their position on this proposed legislation. I informed Mr. Tryck that we would have no objection to the enactment of the legislation.

3. (Unclassified - GLC) [ ]

4. (Unclassified - GLC) Talked with Mr. Charles Lee in the office of Senator Wayne Morse regarding a rather obscure inquiry [ ] concerning "mercenary flying". Having discussed this inquiry with several offices in the State Department, including a Mr. Dodge in State's correspondence section, I suggested to Mr. Lee that this inquiry be referred to the Department. At his request, we are forwarding this to State Department's Legislative Liaison Office.
